Dear

FORMAL OBJECTION TO ANY DEVELOPMENT ON EASTWARD HO AND THE LAND  
BEHIND LINKS AVENUE

I am writing to object to any development of Eastward Ho and the land to the rear of Links Avenue noted.

This land, owned by East Suffolk Council, should be retained as recreation/green space and not sold to a developer or developed by East Suffolk Council as proposed in the draft plans. Nor should Eastward Ho be reduced in size in any way.

The only exception to any development would be for the provision of improved pavilion/changing facilities of a limited nature for sporting activities on Eastward Ho.

Yours faithfully
